If you miss your appointment you forfeit your down payment. Established patients are not subject to down payments for visits.*

My practice does not accept insurance; however, many plans pay a percentage of the visit if you have out of network coverage. I can provide you with a form to file for reimbursement.*

For example, a request for a clarification on a recommendation, medication or supplement qualify as a brief question. This policy applies to all calls, faxes and emails made to office staff. If you have numerous questions or concerns, you may be asked to schedule an appointment. All other questions or inquiries requiring medical expertise will be charged a minimum of $25, with a possibility of additional charges depending on the amount of time the provider spent on your inquiry.
